

## 2016 BOND PROJECTS

### New Schools

#### Covington Elementary

##### Reducing Overcrowding

- New school

#### Kent Valley Elementary\*

##### Reducing Overcrowding

- New school

### Elementary Schools

#### Carriage Crest

##### Improving Safety

- New fire alarm system
- Improvements to parking lot
- Safety upgrades to trash removal system

##### Remodeling, Upgrading

- Additional storage in multipurpose room
- New interactive, instructional media systems in each classroom

#### Cedar Valley

##### Improving Safety

- Improvements to parking lot
- Safety upgrades to trash removal system

##### Reducing Overcrowding

- New multipurpose room
- Remodeling, Upgrading
- New interactive, instructional media systems in each classroom

#### Crestwood

##### Improving Safety

- Safety upgrades to trash removal system

##### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

#### East Hill

##### Improving Safety

- New disability access ramps
- Safety upgrades to trash removal system

##### New Roofing, Flooring

- New roof

##### Reducing Overcrowding

- Kindergarten classroom dividers
- Remodeling, Upgrading
- New interactive, instructional media systems in each classroom

#### Emerald Park

##### Improving Safety

- Safety upgrades to trash removal system

##### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

#### Fairwood

##### Improving Safety

- New disability access ramps
- New door lock hardware
- Safety upgrades to trash removal system

##### Reducing Overcrowding

- Classroom walls
- New multipurpose room

##### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

\* Name based on location. Official school name to be determined.

## Daniel

### Improving Safety

- New fire alarm system
- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Glenridge

### Improving Safety

- Safety upgrades to trash removal system

### Increasing Efficiency

- New boilers (2)

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Grass Lake

### Improving Safety

- Improvements to parking lot
- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC controls

### New Roofing, Flooring

- New roof

### Reducing Overcrowding

- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Horizon

### Improving Safety

- Improvements to parking lot
- New fire alarm system
- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC controls

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Jenkins Creek

### Improving Safety

- New fire alarm system
- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Kent

### Improving Safety

- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Lake Youngs

### Improving Safety

- Safety upgrades to trash removal system

### Increasing Efficiency

- New boiler

### New Roofing, Flooring

- New roof

### Reducing Overcrowding

- Health room expansion
- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Martin Sortun

### Improving Safety

- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Meadow Ridge

### Improving Safety

- Safety upgrades to trash removal system

### New Roofing, Flooring

- New carpet
- New vinyl flooring

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Meridian

### Improving Safety

- New disability access ramps
- New fire alarm system
- Safety upgrades to trash removal system

### Increasing Efficiency

- New boiler
- New heating system
- New HVAC controls

### Reducing Overcrowding

- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Millennium

### Improving Safety

- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Neely-O'Brien

### Improving Safety

- New disability access ramps
- New fire alarm system
- Safety upgrades to trash removal system

### Increasing Efficiency

- New heating system
- New HVAC controls

### New Roofing, Flooring

- New floor coverings

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Panther Lake

### Improving Safety

- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Park Orchard

### Improving Safety

- Safety upgrades to trash removal system

### Reducing Overcrowding

- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Pine Tree

### Improving Safety

- Improvements to parking lot
- Safety upgrades to trash removal system

### Increasing Efficiency

- New boiler

### Reducing Overcrowding

- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom
- Remodel main entrance and office

## Ridgewood

### Improving Safety

- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Sawyer Woods

### Improving Safety

- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Scenic Hill

### Improving Safety

- New door lock hardware
- Safety upgrades to trash removal system

### Reducing Overcrowding

- New library and multimedia center

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Soos Creek

### Improving Safety

- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC controls

### New Roofing, Flooring

- New floor coverings

### Reducing Overcrowding

- New computer lab
- New multipurpose room

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Springbrook

### Improving Safety

- Safety upgrades to trash removal system

### New Roofing, Flooring

- New roof

### Reducing Overcrowding

- New multipurpose room

### Remodeling, Upgrading

- Additional storage space
- New interactive, instructional media systems in each classroom

## Sunrise Elementary

### Improving Safety

- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Middle Schools

---

## Cedar Heights

### Improving Safety

- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Increasing Efficiency

- New hot water boilers (2)
- New HVAC boilers (2)

### Reducing Overcrowding

- Convert classrooms to science labs

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom
- Relocate art classroom

## Mattson

### Improving Safety

- New disability access ramps
- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Meeker

### Improving Safety

- New door lock hardware
- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Increasing Efficiency

- New HVAC controls

### New Roofing, Flooring

- New roof

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Meridian

### Improving Safety

- New door lock hardware
- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Mill Creek

### Improving Safety

- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Northwood

### Improving Safety

- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

### Increasing Efficiency

- New hot water boilers (2)
- New HVAC boilers (2)

### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## Academies

---

### iGrad

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

### Kent Mountain View

#### Improving Safety

- New door lock hardware
- New fire alarm system
- Safety upgrades to trash removal system

#### Increase Efficiency

- New HVAC controls

#### New Roofing, Flooring

- New roof

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

### Kent Phoenix

#### Improving Safety

- Safety upgrades to trash removal system

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

## High Schools

---

### Kent-Meridian

#### Improving Safety

- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

#### Increasing Efficiency

- New HVAC controls
- New windows in main building

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

### Kentlake

#### Improving Safety

- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

#### Increasing Efficiency

- New hot water boilers (2)
- New HVAC boilers (2)

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom

### Kentridge

#### Improving Safety

- New disability access ramps
- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

#### Increasing Efficiency

- New HVAC controls

#### New Roofing, Flooring

- New roof

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom
- Remodel D-wing and art department
- Remodel PAC-gym foyer

### Kentwood

#### Improving Safety

- New disability access ramps
- New emergency lighting
- Renovate outdoor athletic facilities
- Safety upgrades to trash removal system

#### New Roofing, Flooring

- New roof

#### Remodeling, Upgrading

- New interactive, instructional media systems in each classroom
- Remodel performing arts center
